Banana Pack

DISPLAY READY

Eco Pack System™ enables an enhanced point of sale presentation. The same box can be used on the field and at the supermarket!

100% RECYCLABLE & SUSTAINABLE

Eco Pack System™ is the most sustainable solution available today.

HIGHER FOOD QUALITY

Eco Pack System™ reduces product spoilage and damage with maximum airflow control, breathable, impact dampening walls and flexible bottoms.

LOWEST TOTAL COST OF USE

The ultimate light-weight, volume efficient Eco Pack System™ dramatically reduces transportation costs.

TAILOR MADE

Eco Pack System™ is fully customizable! Ventilation, materials and pressure can be adjusted by product type, thus improving freshness, quality and shelf-life. Eco Pack also offers full color customizable graphic.

FOOD SAFETY WORRY-FREE!

Eco Pack System™ is made from food grade material and offers new, single use crate every time, maximizing food safety.
